How to Comment

ITD will use your comments to refine the access management plan.
You can comment today in two ways:

1. **Complete a comment sheet.**
   Please include the map number or specific intersection so ITD can easily incorporate your comments.

2. **Add a dot to the map.**

   🟢 **Green dot:**
   I can see the benefit of this improvement.

   🔴 **Red dot:**
   I do not support this improvement.
